

19th World Orchid Conference

Instructions for Entries Form

See Show Schedule for complete rules and regulations.

- 1. Write CLEARLY and Distinctly.**
- 2. Complete a separate form(s) for each exhibitor.**
- 3. Exhibitor data should be completed at the top of each page.**
- 4. Exhibitor number will be assigned by the plant registration committee.**
- 5. For each plant being entered, provide the class, space number (if known), and plant name, genus and specific names, to include plant and specific names of parentage.**
- 6. Size of flower and color will assist in verifying proper classification, but are optional. Please include these facts when relevant.**
- 7. Improperly classified plants may be disqualified.**
