

19th World Orchid Conference
Judges Handbook
SCHEDULE OF CLASSES

Part 1 – Displays

Note: 1st place winner in each class will receive a trophy as well as a blue ribbon

1 - Division: Orchid Displays, Floor Exhibits, USA Open Class

- 10 - 1000 square feet or larger (Trophy sponsored by Fedex)
- 11 - 500 square feet (Trophy sponsored by Schnebly Redland's Winery)
- 12 - 400 square feet (Trophy sponsored by DeLeon's Bromeliads)
- 13 - 300 square feet (Trophy sponsored by Living Colors Nursery, Inc.)
- 14 - 200 square feet (Trophy sponsored by Tropical Orchid Society)
- 15 - 100 square feet (Trophy sponsored by Tampa Orchid Club, Inc.)

2 - Division: Orchid Displays, Floor Exhibits, International Open Class

- 20 - 300 square feet or larger (Trophy sponsored by Bacardi)
- 21 - 200 square feet (Trophy sponsored by the Southern Ontario Orchid Society)
- 22 - 150 square feet (Trophy sponsored by the Deerfield Beach Orchid Society)
- 23 - 100 square feet (Trophy sponsored by the Boca Raton Orchid Society)

3 - Division: Orchid Displays, Floor Exhibits, Society & Hobbyist

- 30 - 250 square feet or larger (Trophy sponsored by the Orchid Society of Minnesota)
- 31 - 200 square feet (Trophy sponsored by Catherine & Philip Korsant)
- 32 - 150 square feet (Trophy sponsored by Patty & David Jacobson)
- 33 - 100 square feet (Trophy sponsored by the Farmer Foundation)

4 - Division: Orchid Displays, Floor Exhibits, Educational

- 40 - 250 square feet or larger (Trophy sponsored by Barbara W. Parker)
- 41 - 200 square feet (Trophy sponsored by Robert M. Scully & Susan W. Scully)
- 42 - 150 square feet (Trophy sponsored by the Naples Orchid Society)
- 43 - 100 square feet (Trophy sponsored by George & Janet Wilson)

5 - Division: Orchid Displays, Tabletop Exhibits, USA Open Class

- 50 - Tabletop Exhibit, 50 square feet
- 51 - Wardian Case
- 52 - Basket Arrangement

6 - Division: Orchid Displays, Tabletop Exhibits, International Open Class

- 60 - Tabletop Exhibit, 50 square feet
- 61 - Wardian Case
- 62 - Basket Arrangement

7 - Division: Orchid Displays, Tabletop Exhibits, Society & Hobbyist

- 70 - Tabletop Exhibit, 50 square feet
- 71 - Wardian Case
- 72 - Basket Arrangement

8 - Division: Orchid Displays, Tabletop Exhibits, Educational

- 80 - Tabletop Exhibit, 50 square feet
- 81 - Wardian Case

19th World Orchid Conference
Judges Handbook

Trophy Best Tabletop Display (classes 50, 60, & 70)

Sponsored by the South Florida Orchid Society

Trophy Best Wardian Case (classes 51, 61, 71 & 81)

Sponsored by the Jacksonville Orchid Society

Trophy Best Orchid Basket Arrangement (classes 52, 62 & 72)

Sponsored by the Atlanta Orchid Society

Trophy Best in Show, Best International Display (classes 20-23, 60-62 & selected entries from classes 30-33 & 70-72)

Sponsored by the Pan American Orchid Society

Trophy Best in Show, Society or Hobbyist Display (classes 30-33 & 70-72)

Sponsored by Eastern Airlines Orchid Club

Trophy Best in Show, Educational Display (classes 40-43 & 80-81)

Sponsored by the Flamingo Gardens Orchid Society

Part 2 – Orchid Flowers & Plants

10 - Division: *Vandaeae* - *Ascocenda*

100 - *Ascocenda*, strap-leaf - pink

101 - *Ascocenda*, strap-leaf – blue and violet

Trophy Best of Classes 100-101, *Ascocenda*

102 - *Ascocenda*, strap-leaf – white and green

103 - *Ascocenda*, strap-leaf - orange and yellow

104 - *Ascocenda*, strap-leaf – red

105 - *Ascocenda*, strap-leaf – any color not included above

106 - *Ascocenda*, strap-leaf – multi-color, spotted or heavily marked

Trophy Best of Classes 102-106, *Ascocenda*

107 - *Ascocenda* – semi-terete leaf hybrids

Trophy Best of Class 107, Semi-Terete Leaf *Ascocenda*

Trophy Best in Show, Blue-Violet *Ascocenda* (class 101 & 107)

Sponsored by Jim and Sandy Johnson

Trophy Best in Show, Red *Ascocenda* (class 104 & 107)

Sponsored by Robert & Judith Mezey

Trophy Best in Show, Yellow *Ascocenda* (class 103 & 107)

Sponsored by the Delray Beach Orchid Society

Trophy Best in Show, *Ascocenda* (classes 100-107)

Sponsored by Col. Kenneth M. Kone

20 - Division: *Vandaeae* - *Vanda*

200 - *Vanda* species – terete-leaf

201 - *Vanda* species – strap-leaf, excluding *Euanthe*

202 - *Euanthe sanderiana* only

Trophy Best of Classes 200-202, *Vanda* Species

203 - *Vanda* primary hybrids (both parents being *Vanda* species)

204 - *Vanda* complex hybrids, terete or semi-terete leaf

Trophy Best of Classes 203-204, *Vanda* Hybrids

205 - *Vanda* complex hybrids – pink

206 - *Vanda* complex hybrids – red, red-purple

207 - *Vanda* complex hybrids – blue, blue-violet

Trophy Best of Classes 205-207, *Vanda* Hybrids

208 - *Vanda* complex hybrids – white, greenish white, yellowish white

209 - *Vanda* complex hybrids – yellow, bronze, art shades

210 - *Vanda* complex hybrids –any color with predominant or unusual markings (other than tessellation)

211 - *Vanda* complex hybrids – any other color

Trophy Best of Classes 208-211, *Vanda* Hybrids

19th World Orchid Conference
Judges Handbook

Trophy Best in Show, White or Green Vanda (classes 200-204 & 208)

Sponsored by the Ft. Lauderdale Orchid Society

Trophy Best in Show, Yellow Vanda (classes 200-204 & 209)

Sponsored by Michael and Sherie Swerdlow

Trophy Best in Show, Red-Pink Vanda (classes 200-204 & 205)

Sponsored by Mr. & Mrs. Thor Eaton

Trophy Best in Show, Blue Vanda (classes 200-204 & 207)

Sponsored by the David A. Klein Orchidarium at Vizcaya Museum & Gardens

Trophy Best in Show, Terete Vanda or Hybrid (classes 200-204)

Sponsored by Guy & Amy Mitchell

Trophy Best in Show, Vanda (classes 200-211)

Sponsored by Marianne C. Montoro

30 - Division: Vandaeae – Other Vandaceous

301 - Aeranthes species

302 - Aeranthes hybrids

Trophy Best of Classes 301-302, Aeranthes

303 - Angraecum species

304 - Angraecum hybrids

305 - Angraecoid species not entered above, e.g. Amesiella, Cytorchis, Jumellea, Neobathiea, Microcoelia, Mystacidium, Plectrelminthis, Rangaeris, etc.)

306 - Angraecoid hybrids not entered above

Trophy Best of Classes 303-306, Angraecoid

307 - Aerangis species

308 - Aerangis hybrids

Trophy Best of Classes 307-308, Aerangis

309 - Aerides species and intrageneric hybrids

310 - Aerides intergeneric hybrids – Aeridovanda

311 - Aerides intergeneric hybrids – Christieara

312 - Aerides intergeneric hybrids not included above

Trophy Best of Classes 309-312, Aerides & Hybrids

313 - Arachnis species and intrageneric hybrids

314 - Arachnis intergeneric hybrids – Aranda

315 - Arachnis intergeneric hybrids – Mokara

316 - Arachnis intergeneric hybrids not included above

Trophy Best of Classes 313-316, Arachnis & Hybrids

317 - Neofinetia species

318 - Neofinetia hybrids

Trophy Best of Classes 317-318, Neofinetia & Hybrids

319 - Paraphalaenopsis species

320 - Paraphalaenopsis intrageneric hybrids

321 - Paraphalaenopsis intergeneric hybrids

Trophy Best of Classes 319-321, Paraphalaenopsis & Hybrids

19th World Orchid Conference
Judges Handbook

322 - Renanthera species
323 - Renanthera intrageneric hybrids
324 - Renanthera intergeneric hybrids – Kagawara
325 - Renanthera intergeneric hybrids not included above
Trophy Best of Classes 322-325, Renanthera & Hybrids

326 - Rhynchostylis species
327 - Rhynchostylis intrageneric hybrids
328 - Rhynchostylis intergeneric hybrids – Vascostylis
329 - Rhynchostylis intergeneric hybrids not included above
Trophy Best of Classes 326-329, Rhynchostylis & Hybrids

330 - Ascocentrum species and intrageneric hybrids
331 - Ascocentrum intergeneric hybrids - Asconopsis
332 - Ascocentrum intergeneric hybrids, except Ascocenda, not included above
Trophy Best of Classes 330-332, Ascocentrum & Hybrids

333 - Vandaceous species, not included above
334 - Vandaceous hybrids, not included above
Trophy Best of Classes 333-334, Vandaceous

Trophy Best in Show, Renanthera or Hybrid (classes 322-325)

Sponsored by the Coral Springs Orchid Society

Trophy Best in Show, Aerides or Hybrid (classes 309-312)

Sponsored by Barbara Jean Ansley

Trophy Best in Show, Rhynchostylis or Hybrid (classes 326-329)

Sponsored by Mike & Angie Pitiriciu

Trophy Best in Show, Angraecoid Species (classes 301, 303 & 305)

Sponsored by Christine Chowning

Trophy Best in Show, Other Vandaceous (classes 301-334)

Sponsored by Robert & Adrienne Ginsberg

Trophy Best in Show, Vandaceous Species (classes 200-202, 301, 307, 309, 313, 317, 319, 322, 326, 330, & 333)

Sponsored by R. F. Orchids, Inc.

Trophy Best in Show, Vandaceous Hybrid (classes 100-107, 203-211, 302, 304, 306, 308-316, 318, 320-321, 323-325, 327-329, 331-332 & 334)

Sponsored by Gay & Peter Cummings

40 - Division: Vandaeae – Phalaenopsis Species & Intergeneric Hybrids

400 - Doritis species

401 - Doritis hybrids, with Doritis obviously predominant

Trophy Best of Classes 400-401, Doritis

402 - Phalaenopsis species small-flowered (i.e. equestris, parishii, amboinensis, lobbii, mannii, venosa, etc)

403 - Phalaenopsis species large-flowered (from Section Phalaenopsis, i.e. amabilis, stuartiana, aphrodite, schilleriana, philippinense, sanderiana, etc)

Trophy Best of Classes 402-403, Phalaenopsis Species

19th World Orchid Conference
Judges Handbook

404 - Phalaenopsis hybrids parentage including another genus other than Doritis, but with flowers more closely resembling the Phalaenopsis parent.

Trophy Best of Class 404, Intergeneric Phalaenopsis Hybrids

50 - Division: Vandaeae - Phalaenopsis, Multifloral-type Hybrids

500 - Phalaenopsis hybrids, multifloral-type, white without bars, stripes or spots

501 - Phalaenopsis hybrids, multifloral-type, white with spots or blotches

502 - Phalaenopsis hybrids, multifloral-type, white with stripes or bars

Trophy Best of Classes 500-502, White Multifloral Phalaenopsis

503 - Phalaenopsis hybrids, multifloral-type, pink without bars, stripes or spots

504 - Phalaenopsis hybrids, multifloral-type, pink with spots or blotches

505 - Phalaenopsis hybrids, multifloral-type, pink with stripes or bars

Trophy Best of Classes 503-505, Pink Multifloral Phalaenopsis

506 - Phalaenopsis hybrids, multifloral-type, yellow without bars, stripes or spots

507 - Phalaenopsis hybrids, multifloral-type, yellow with spots or blotches

508 - Phalaenopsis hybrids, multifloral-type, yellow with stripes or bars

509 - Phalaenopsis hybrids, multifloral-type, any other color without bars, stripes or spots

510 - Phalaenopsis hybrids, multifloral-type, any other color with spots or blotches

511 - Phalaenopsis hybrids, multifloral-type, any other color with stripes or bars

Trophy Best of Classes 506-511, Multifloral Phalaenopsis – Other Color

Trophy Best in Show, Multifloral Phalaenopsis (classes 500-511)

Sponsored by Jolayne Alger

60 - Division: Vandaeae – Phalaenopsis Standard Hybrids

600 - Phalaenopsis hybrids, standard, white without bars, stripes or spots

601 - Phalaenopsis hybrids, standard, white with spots

602 - Phalaenopsis hybrids, standard, white with stripes or bars

603 - Phalaenopsis hybrids, standard, white with harlequin blotches

Trophy Best of Classes 600-603, Standard Phalaenopsis - White

604 - Phalaenopsis hybrids, standard, pink without bars, stripes or spots

605 - Phalaenopsis hybrids, standard, pink with spots or blotches

606 - Phalaenopsis hybrids, standard, pink with stripes or bars

Trophy Best of Classes 604-606, Standard Phalaenopsis - Pink

607 - Phalaenopsis hybrids, standard, yellow without bars, stripes or spots

608 - Phalaenopsis hybrids, standard, yellow with spots

609 - Phalaenopsis hybrids, standard, yellow with stripes or bars

610 - Phalaenopsis hybrids, standard, yellow with harlequin blotches

Trophy Best of Classes 607-610, Standard Phalaenopsis – Yellow

611 - Phalaenopsis hybrids, standard, any other color without bars, stripes or spots

612 - Phalaenopsis hybrids, standard, any other color with spots or blotches

613 - Phalaenopsis hybrids, standard, any other color with stripes or bars

Trophy Best of Classes 611-612, Standard Phalaenopsis – Other Colors

19th World Orchid Conference
Judges Handbook

Trophy Best in Show, Standard Phalaenopsis (classes 600-613)

Sponsored by the Kansas Orchid Society

Trophy Best in Show, White Phalaenopsis (classes 400-500 & 600)

Sponsored by Jeannette & Richard Brandon in honor of Eda Shvetz

Trophy Best in Show, White with Red Lip Phalaenopsis (classes 500 & 600)

Sponsored by Andrew H. Boros, Attorney at Law

Trophy Best in Show, Pink Phalaenopsis (classes 400-403, 503-505 & 604-606)

Sponsored by the International Phalaenopsis Alliance

Trophy Best in Show, Spotted Phalaenopsis (classes 402-404, 501, 504, 507, 510, 601, 605, 608, 612)

Sponsored by the Madison Orchid Growers Guild

Trophy Best in Show, Harlequin Phalaenopsis (classes 501, 504, 507, 510, 603, 605, 610 & 612)

Sponsored by Stephen Helbling

Trophy Best in Show, Phalaenopsis (classes 400-613)

Sponsored by Rafael & Marianne Montoro

70 - Division: *Cypripedioideae* – *Paphiopedilum*, single-flowered

700 - *Paphiopedilum* species – subgenus *Brachypetalum*

701 - *Paphiopedilum* species – subgenus *Parvisepalum*

702 - *Paphiopedilum* species - subgenus *Paphiopedilum*, usually single flowered

Trophy Best of Classes 700-702, Single-flowered *Paphiopedilum* Species

703- *Paphiopedilum* hybrids, *Maudiae* type – albino

704 - *Paphiopedilum* hybrids, *Maudiae* type - *coloratum*

705 - *Paphiopedilum* hybrids, *Maudiae* type – *vinicolor*

Trophy Best of Classes 703-705, *Maudiae* Type *Paphiopedilum* Hybrid

706 - *Paphiopedilum* hybrids, *Brachypetalum* type – white background

707 - *Paphiopedilum* hybrids, *Brachypetalum* type – cream/yellow background

Trophy Best of Classes 706-707, *Brachypetalum* Type *Paphiopedilum* Hybrid

708 - *Paphiopedilum* hybrids, *Parvisepalum* type – white/cream/yellow

709 - *Paphiopedilum* hybrids, *Parvisepalum* type – pink/red

710 - *Paphiopedilum* hybrids, *Parvisepalum* type – green

Trophy Best of Classes x-y, *Parvisepalum* Type *Paphiopedilum* Hybrid

711 - *Paphiopedilum* complex hybrids, single-flowered type – white/cream/pink

712 - *Paphiopedilum* complex hybrids, single-flowered type – green/yellow

713 - *Paphiopedilum* complex hybrids, single-flowered type – tan/mahogany/bronze

714 - *Paphiopedilum* complex hybrids, single-flowered type – red/rose/*vinicolor*

715 - *Paphiopedilum* complex hybrids, single-flowered type – spotted

716 - *Paphiopedilum* complex hybrids, single-flowered type – any other color

Trophy Best of Classes 711-716, Complex *Paphiopedilum* Hybrid

19th World Orchid Conference
Judges Handbook

80 - Division: *Cypripedioideae* – *Paphiopedilum*, multi-flowered

800 - *Paphiopedilum* species – section *Corypedilum* and *Pardalopetalum*, multi-flowered stems

801 - *Paphiopedilum* species – section *Cochlopedilum*, sequentially-flowered

802 - *Paphiopedilum* primary hybrids – two or more flowers per stem

803 - *Paphiopedilum* complex hybrids, multi-flowered

Trophy Best of Classes 800-803, Multi- or Sequentially-flowered *Paphiopedilum*

804 - *Paphiopedilum* primary hybrids, not included above

805 - *Paphiopedilum* novelty hybrids, not included above

806 - *Paphiopedilum* complex hybrids, not included above

Trophy Best of Classes 804-806, Other *Paphiopedilum* Hybrid

Trophy Best in Show, *Paphiopedilum* Species (classes 700-702 & 800-801)

Sponsored by the Slipper Orchid Alliance

Trophy Best in Show, *Paphiopedilum* Hybrid (classes 703-803)

Sponsored by Cathy & John Sullivan in Memory of Karen Fenton

90 - Division: *Cypripedioideae* - Other

900 - *Phragmipedium* species – red/orange/yellow

901 - *Phragmipedium* species - green/ brown

902 - *Phragmipedium* species – white/pink

903 - *Phragmipedium* species – purple

Trophy Best of Classes, 900-903, *Phragmipedium* Species

904 - *Phragmipedium* hybrids – red/orange/yellow

905 - *Phragmipedium* hybrids - green/yellow/brown

906 - *Phragmipedium* hybrids – purple

Trophy Best of Classes, 904-906, *Phragmipedium* Hybrids

Trophy Best in Show, *Phragmipedium* (classes 900-906)

Sponsored by Sandy Caradonna & Richard Behrens

907 - *Cypripedium* species and hybrids

908 - *Selenipedium* species and hybrids

909 - *Mexipedium* species

910 - *Cypripedioideae*, other species and intrageneric hybrids

911 - *Cypripedioideae* – Intergeneric hybrids

Trophy Best of Classes 907-911, Other *Cypripedioideae*

Trophy Best in Show, Slipper Orchid Species (classes 700-702, 800-801, 900-903 & 907-910)

Sponsored by Adelaide Skoglund & William Legg

Trophy Best in Show, Slipper Orchid Hybrid (classes 703-716, 802-806, 904-911)

Sponsored by the Anthony & Joan Viggiani

Trophy Best In Show, Slipper Orchid (classes 700-911)

Sponsored by Harold Koopowitz & Stephen Hampson

19th World Orchid Conference
Judges Handbook

100 - Division: Dendrobiinae

- 1000 - Dendrobium species - Callista section
- 1001 - Dendrobium species - Dendrobium (Eugenanthe) Section
- 1002 - Dendrobium species - Dendrocoryne Section
- 1003 - Dendrobium species - Latouria Section
- 1004 - Dendrobium species - Spatulata Section
- 1005 - Dendrobium species - Formosae (Nigrohirsute) Section
- 1006 - Dendrobium species - Oxyglossum Section
- 1007 - Dendrobium species - Calypstrochilus Section
- 1008 - Dendrobium species - Pedilonium Section
- 1009 - Dendrobium species - Phalaenanthe Section
- 1010 - Dendrobium species other than above

Trophy Best of Classes 1000-1010, Dendrobium Species

- 1011 - Dendrobium hybrids, Nobile type - white and white with colored lip
- 1012 - Dendrobium hybrids, Nobile type - yellow/orange
- 1013 - Dendrobium hybrids, Nobile type - pink, lavender
- 1014 - Dendrobium hybrids, Nobile type - purple
- 1015 - Dendrobium hybrids, Nobile type - any other color

Trophy Best of Classes 1011-1015, Nobile Type Dendrobium Hybrid

- 1016 - Dendrobium hybrids, Phalaenopsis type - white
- 1017 - Dendrobium hybrids, Phalaenopsis type - lavender/red/pink
- 1018 - Dendrobium hybrids, Phalaenopsis type - splash or striped
- 1019 - Dendrobium hybrids, Phalaenopsis type - any other color

Trophy Best of Classes 1016-1019, Phalaenopsis Type Dendrobium Hybrid

- 1020 - Dendrobium hybrids - Antelope type, single colored
- 1021 - Dendrobium hybrids - Antelope type, bicolored
- 1022 - Dendrobium hybrids - Antelope type, multi-colored

Trophy Best of Classes 1020-1022, Antelope Type Dendrobium Hybrid

- 1023 - Dendrobium hybrids, Intermediate type - white
- 1024 - Dendrobium hybrids, Intermediate type - blue/lavender
- 1025 - Dendrobium hybrids, Intermediate type - red/pink
- 1026 - Dendrobium hybrids, Intermediate type - yellow/green
- 1027 - Dendrobium hybrids, Intermediate type - splash or striped
- 1028 - Dendrobium hybrids, Intermediate type - any other color

Trophy Best of Classes 1023-1028, Intermediate Type Dendrobium Hybrid

- 1029 - Dendrobium hybrids, Dendrobium Section, other intrasectional hybrids
- 1030 - Dendrobium hybrids, Dendrocoryne Section, intrasectional hybrids
- 1031 - Dendrobium hybrids - Formosa Section, intrasectional hybrids
- 1032 - Dendrobium hybrids – Latouria Section, intrasectional hybrids
- 1033 - Dendrobium hybrids – Other intrasectional hybrids
- 1034 - Dendrobium hybrids – Other intersectional hybrids

Trophy Best of Classes 1029-2034, Other Dendrobium Hybrid

19th World Orchid Conference

Judges Handbook

1035 - Dendrobiinae species - Other than Dendrobium

1036 - Dendrobiinae hybrids - Other than Dendrobium

Trophy Best of Classes 1035-1036, Dendrobiinae

Trophy Best in Show, Dendrobium Species (classes 1000-1010, 1035)

Sponsored by the East Everglades Orchid Society

Trophy Best in Show, Evergreen Cane Dendrobium (classes 1016-1028)

Sponsored by the New Orleans Orchid Society

Trophy Best in Show, White Dendrobium (classes 1000-1036)

Sponsored by Dorothy Bennett

Trophy Best in Show, Yellow Dendrobium (classes 1000-1036)

Sponsored by Mrs. David R. Johnston

Trophy Best in Show, Green Dendrobium (classes 1000-1036)

Sponsored by Marianne C. Montoro

Trophy Best in Show, Fuchsia or Lavender Dendroboium (classes 1000-1036)

Sponsored by Phyllis E. Ballantine

Trophy Best in Show, Dendrobium (classes 1000-1036)

Sponsored by Jose Sanchez Cordon

110 - Division: Laeliinae

1100 - Rhyncholaelia species and hybrids

1101 - Brassavola species and hybrids

1102 - Brassavola intergeneric hybrids

Trophy Best of Classes 1100-1102, Brassavola

1103 - Epidendrum species and hybrids

1104 - Prosthechea (Anacheilium) species and hybrids

1105 - Encyclia species

1106 - Encyclia hybrids

1107 - Encyclia intergeneric hybrids

Trophy Best of Classes 1103-1107, Epidendrum

1108 - Broughtonia species and hybrids

1109 - Broughtonia intergeneric hybrids

1110 - Laeliopsis and Cattleyopsis species and hybrids

Trophy Best of Classes 1108-1110, Broughtonia

1111 - Schomburgkia and Myrmecophila species

1112 - Schomburgkia and Myrmecophila hybrids

Trophy Best of Classes 1111-1112, Schomburgkia

1113 - Laelia species including Brazilian Laelias

1114 - Laelia intrageneric hybrids

Trophy Best of Classes 1113-1114, Laelia

1115 - Sophronitis species and intrageneric hybrids

Trophy Best of Class 1115, Sophronitis

19th World Orchid Conference
Judges Handbook

- 1116 - Other Laeliinae species and hybrids, except Cattleya and Guarianthe
- 1117 - Laeliinae intergeneric hybrids NOT containing Cattleya or Guarianthe, other than above

Trophy Best of Classes 1116-1117, Other Laeliinae

Trophy Best in Show, Cattleya Related (classes 1100-1117)

Sponsored by the Denver Orchid Society

120 - Division: Cattleyas

- 1200 - Cattleya species Unifoliate

Trophy Best of Class 1200, Unifoliate Cattleya Species

- 1201 - Cattleya hybrids, Standard type – white
- 1202 - Cattleya hybrids, Standard type – semi-alba
- 1203 - Cattleya hybrids, Standard type – lavender/mauve/pastel
- 1204 - Cattleya hybrids, Standard type – red
- 1205 - Cattleya hybrids, Standard type – yellow
- 1206 - Cattleya hybrids, Standard type – green
- 1207 - Cattleya hybrids, Standard type – art shades/bronze/orange
- 1208 - Cattleya hybrids, Standard type – flared or splashed petals
- 1209 - Cattleya hybrids, Standard type – any other color

Trophy Best of Classes 1201-1209, Standard Cattleya Hybrids

- 1210 - Cattleya species Bifoliate, including Guarianthe

Trophy Best of Class 1210, Bifoliate Cattleya Species

- 1211 - Cattleya hybrids, Cluster type – white or semi-alba
- 1212 - Cattleya hybrids, Cluster type – lavender/mauve/pink
- 1213 - Cattleya hybrids, Cluster type – red
- 1214 - Cattleya hybrids, Cluster type – yellow/orange
- 1215 - Cattleya hybrids, Cluster type – art shades/bronze/green
- 1216 - Cattleya hybrids, Cluster type – flared or splashed petals
- 1217 - Cattleya hybrids, Cluster type – spotted on any base color
- 1218 - Cattleya hybrids, Cluster type – any other color

Trophy Best of Classes 1211-1218, Cluster-type Cattleya Hybrid

- 1219 - Cattleya hybrids, Miniature – white or semi-alba
- 1220 - Cattleya hybrids, Miniature – lavender/mauve/pink
- 1221 - Cattleya hybrids, Miniature – red
- 1222 - Cattleya hybrids, Miniature – yellow/orange
- 1223 - Cattleya hybrids, Miniature – art shades/bronze/green
- 1224 - Cattleya hybrids, Miniature – flared or splashed petals
- 1225 - Cattleya hybrids, Miniature – spotted on any base color
- 1226 - Cattleya hybrids, Miniature – any other color

Trophy Best of Classes 1219-1226, Miniature Cattleya Hybrid

Trophy Best in Show, Lavender Cattleya (classes 1203, 1212 & 1220)

Sponsored by the Orchid Society of Highlands County

19th World Orchid Conference
Judges Handbook

Trophy Best in Show, Red Cattleya (classes 1204, 1213 & 1221)

Sponsored by Cathy & John Sullivan

Trophy Best in Show, Yellow Cattleya (classes 1205, 1214 & 1222)

Sponsored by the Manhattan Orchid Society

Trophy Best in Show, White Cattleya (classes 1201, 1211 & 1219)

Sponsored by the Treister Murry Agency

Trophy Best in Show, Flared or Splashed Cattleya (classes 1208, 1216 & 1224)

Sponsored by Orchis Floriculturing, Inc.

Trophy Best in Show, Cattleya (classes 1201-1226)

Sponsored by Mr. & Mrs. John W. Zick

130 - Division: Cymbidium

1300 - Cymbidium species (Non-oriental type, see definition xxx)

Trophy Best of Class 1300, Cymbidium Species

1301 - Cymbidium hybrids, standard – white/blush/ivory

1302 - Cymbidium hybrids, standard – pink/rose

1303 - Cymbidium hybrids, standard – red/wine

1304 - Cymbidium hybrids, standard – green

1305 - Cymbidium hybrids, standard – yellow/gold

1306 - Cymbidium hybrids, standard – any other color

1307 - Cymbidium hybrids, standard – bi-color or multi-color

Trophy Best of Classes 1301-1307, Standard Cymbidium Hybrid

1308 - Cymbidium hybrids, intermediate – white/blush/ivory

1309 - Cymbidium hybrids, intermediate – pink/rose

1310 - Cymbidium hybrids, intermediate – red/wine

1311 - Cymbidium hybrids, intermediate – green

1312 - Cymbidium hybrids, intermediate – yellow/gold

1313 - Cymbidium hybrids, Intermediate – any other color

1314 - Cymbidium hybrids, intermediate – bi-color or multi-color

Trophy Best of Classes 1308-1314, Intermediate Cymbidium Hybrid

1315 - Cymbidium hybrids, miniature – white/blush/ivory

1316 - Cymbidium hybrids, miniature – pink/rose

1317 - Cymbidium hybrids, miniature – red/wine

1318 - Cymbidium hybrids, miniature – green

1319 - Cymbidium hybrids, miniature – yellow/gold

1320 - Cymbidium hybrids, miniature – any other color

1321 - Cymbidium hybrids, miniature – bi-color or multi-color

Trophy Best of Classes 1315-1321, Miniature Cymbidium Hybrid

140 - Division: Oriental Cymbidium

1400 - Oriental Cymbidium – species – subgenus *Jensoa*, e.g. *kanran*, *sinense*, *goeringii*, etc.

1401 - Oriental Cymbidium – hybrids

Trophy Best of classes 1400-1401, Oriental Cymbidium

Trophy Best in Show, White Cymbidium (classes 1300-1301, 1308 & 1315)

Sponsored by the Orchid Society of Great Britain

19th World Orchid Conference
Judges Handbook

Trophy Best in Show, Red or Pink Cymbidium (classes 1300, 1302-1303, 1309-1310, 1316-1317)

Sponsored by the Little Egypt Orchid Society

Trophy Best in Show, Yellow Cymbidium (classes 1300, 1305 & 1319)

Sponsored by Ellen M. Wells

Trophy Best in Show Green Cymbidium (classes 1304, 1311 & 1318)

Sponsored by Stuart Salenger in Memory of Betty Salenger

Trophy Best in Show, Cymbidium (classes 1300-1401)

Sponsored by Elaine Berol Taylor & Scott B. Taylor

150 -Division: Cymbidiinae

1500 - Grammatophyllum species and hybrids

1501 - Cyrtopodium species and hybrids

1502 - Ansellia species and hybrids

1503 - Other Cymbidiinae, species and hybrids

Trophy Best of Classes 1500-1503, Cymbidiinae

160 - Division: Oncidiinae - Miltoniopsis

1600 - Miltoniopsis species

1601 - Miltoniopsis hybrids – red/red marked any other color

1602 - Miltoniopsis hybrids – pink/pink marked any other color

1603 - Miltoniopsis hybrids – yellow/yellow marked any other color

1604 - Miltoniopsis hybrids – white/white marked any other color

1605 - Miltoniopsis hybrids – any other color

Trophy Best of Classes 1600-1605, Miltoniopsis

170 - Division: Oncidiinae – Intergeneric Hybrids

1700 - Miltoniopsis intergeneric hybrids

1701 - Miltonia intergeneric hybrids

1702 - Brassia intergeneric hybrids

1703 - Lemboglossum intergeneric hybrids

1704 - Rossioglossum intergeneric hybrids

1705 - Odontoglossum intergeneric hybrids

1706 - Oncidium intergeneric hybrids

1707 - Oncidiinae intergeneric hybrids, other than above

Trophy Best of Classes 1700-1707, Oncidiinae Intergeneric

180 - Division: Oncidiinae

1800 - Miltonia species

1801 - Miltonia hybrids - lavender/purple

1802 - Miltonia hybrids - yellow

1803 - Miltonia hybrids - other colors

Trophy Best of Classes 1800-1803, Miltonia

1804 - Brassia species

1805 - Brassia hybrids

Trophy Best of Classes 1804-1805, Brassia

19th World Orchid Conference
Judges Handbook

- 1806 - Odontoglossum species
- 1807 - Odontoglossum hybrids
- 1808 - Lemboglossum species and hybrids
- 1809 - Rossioglossum species and hybrids

Trophy Best of Classes 1806-1809, Odontoglossum

- 1810 - Oncidium species – varicosum leaf type
- 1811 - Oncidium hybrids – varicosum leaf type
- 1812 - Oncidium species – rat-tail leaf type
- 1813 - Oncidium hybrids – rat-tail leaf type
- 1814 - Oncidium species - Mule-ear leaf type
- 1815 - Oncidium hybrids – Mule-ear leaf type
- 1816 - Oncidium species – Other
- 1817 - Oncidium hybrids – Other

Trophy Best of Classes 1810-1817, Oncidium

- 1818 - Psychopsis species
- 1819 - Psychopsis hybrids

Trophy Best of Classes 1818-1819, Psychopsis

- 1820 - Tolumnia species
- 1821 - Tolumnia hybrids – pink/red/purple
- 1822 - Tolumnia hybrids – yellow, gold, bronze
- 1823 - Tolumnia hybrids – any other color

Trophy Best of Classes 1820-1823, Tolumnia

- 1824 - Oncidiinae species not included above (i.e. Aspasia, Rodriguezia, etc)
- 1825 - Oncidiinae hybrids not included above

Trophy Best of Classes 1824-1825, Other Oncidiinae

Trophy Best in Show, Miltoniopsis (classes 1600-1605)

Sponsored by Maria R. Jensen)

Trophy Best in Show, Brassia (classes 1804-1805)

Sponsored by Martha Merkel Banting in Memory of Jean L. Merkel

Trophy Best in Show, Tolumnia (class 1820-1823)

Sponsored by Jupiter Tequesta Orchid Society

Trophy Best in Show, Oncidiinae Species (classes 1600, 1800, 1804, 1806, 1808-1810, 1812, 1814, 1816, 1818, 1820 & 1824)

Sponsored by Chris & Loretta Rehmann

Trophy Best in Show, Intergeneric Oncidiinae Hybrid (classes 1700-1707)

Sponsored by Arlene Maguire in Memory of Bill Maguire

Trophy Best in Show Oncidiinae (classes 1600-1825)

Sponsored by Doris H. Asher

19th World Orchid Conference
Judges Handbook

190 - Division: *Pleurothallidinae*, *Masdevallia* and *Dracula*

- 1900 - *Masdevallia* species
- 1901 - *Masdevallia* hybrids - white
- 1902 - *Masdevallia* hybrids – pink/purple/red
- 1903 - *Masdevallia* hybrids – yellow/orange
- 1904 - *Masdevallia* hybrids – striped/spotted
- 1905 - *Masdevallia* hybrids – any other color

Trophy Best of Classes 1900-1905, *Masdevallia*

- 1906 - *Dracula* species
- 1907 - *Dracula* intrageneric hybrids
- 1908 - *Dracula* intergeneric hybrids

Trophy Best of Classes 1906-1908, *Dracula*

200 - Division: *Other Pleurothallidinae*

- 2000 - *Restrepia* species and hybrids
- 2001 - *Lepanthes* species and hybrids
- 2002 - *Octomeria* species and hybrids
- 2003 - *Pleurothallidinae* -- any other species
- 2004 - *Pleurothallidinae* -- any other hybrid

Trophy Best of Classes 2000-2004, *Other Pleurothallidinae*

Trophy Best in Show, *Pleurothallidinae* (classes 1900-2004)

Sponsored by Nina M. Rach

210 - Division: *Maxillarieae* – *Anguloa* and *Lycaste*

- 2100 - *Anguloa* species
- 2101 - *Anguloa* intra- and intergeneric hybrids, other than *Angulocaste*

Trophy Best of Classes 2100-2101, *Anguloa*

- 2102 - *Lycaste* species, large flowered greater than 7.5 cm
- 2103 - *Lycaste* species, small flowered, less than or equal to 7.5 cm

Trophy Best of Classes 2102-2103, *Lycaste* Species

- 2104 - *Lycaste* hybrids – white or semi-alba
- 2105 - *Lycaste* hybrids – pink
- 2106 - *Lycaste* hybrids - red
- 2107 - *Lycaste* hybrids – yellow/green
- 2108 - *Lycaste* hybrids – any other color

Trophy Best of Classes 2104-2108, *Lycaste* Hybrids

- 2109 - *Angulocaste* hybrids
- 2110 - *Lycaste* intergeneric hybrids, other than above

Trophy Best of Classes 2109-2110, *Intergeneric Lycaste* Hybrids

Trophy Best in Show, *Anguloa/Lycaste* (classes 2100-2110)

Sponsored by James and Emily Clarkson

220 - Division: Maxillarieae

2200 - Zygopetalum species

2201 - Zygopetalum hybrids

Trophy Best of Classes 2200-2201, Zygopetalum

2202 - Maxillaria species and hybrids

2203 - Maxillarieae other species

2204 - Maxillarieae hybrids, other than above

Trophy Best of Classes 2202-2204, Maxillarieae

Trophy Best in Show, Maxillarieae (classes 2200-2204)

Sponsored by Amazonia Orchids & the Cahiz-Yrygoyen Family

230 - Division: Catasetiinae – Catasetum, Mormodes & Cycnoches

2300 - Catasetum species

2301 - Catasetum hybrids – white/green/yellow

2302 - Catasetum hybrids – red/mauve/pink

2303 - Catasetum hybrids – any other color

2304 - Clowesia species and hybrids

2305 - Mormodes species

2306 - Mormodes hybrids

2307 - Cycnoches species

2308 - Cycnoches hybrids

2309 - Intergeneric hybrids of above groups (e.g. Catanoches, Cycnodes, etc)

Trophy Best of Classes 2300-2309, Catasetum, Cycnoches & Mormodes

Trophy Best in Show, Catasetum Related (classes 2300-2309)

Sponsored by Ethel Goldberg

240 - Division: Other Catasetiinae

2400 - Coryanthes species and hybrids

2401 - Gongora species and hybrids

2402 - Stanhopea species and hybrids

Trophy Best of Classes 2400-2402, Coryanthes, Gongora & Stanhopea

2403 - Dressleria species and hybrids

2404 - Paphinia species and hybrids

2405 - Other Catasetiinae species and hybrids

2406 - Catasetiinae intergeneric hybrids, other than above

Trophy Best of Classes 2403-2406, Other Catasetiinae

Trophy Best in Show, Catasetiinae (classes 2300-2406)

Sponsored by the West Palm Beach Judging Center of the AOS

250 - Division: Terrestrial Orchids - Disa

2500 - Disa species

2501 - Disa hybrids

Trophy Best of Classes 2500-2501, Disa

Trophy Best in Show, Disa (classes 2500-2501)

Sponsored by Michael Tibbs

260 - Division: Terrestrial Orchids – Phaius & Calanthe

2600 - Calanthe species

2601 - Calanthe hybrids

2602 - Phaius species

2603 - Phaius hybrids

2604 - Phaiocalanthe hybrids

Trophy Best of Classes 2600-2604, Phaius and Calanthe

270 - Division: Terrestrial Orchids

2700 - Spathoglottis species

2701 - Spathoglottis hybrids

Trophy Best of Classes 2700-2701, Spathoglottis

2702 - Pleione species

2703 - Pleione hybrids

Trophy Best of Classes 2702-2703, Pleione

2704 - Habenaria species and hybrids

2705 - Liparis species and hybrids

2706 - Other terrestrial species or hybrids

Trophy Best of Classes 2704-2706, Other Terrestrial

Trophy Best in Show, Terrestrial (classes 2600-2706)

Sponsored by Florida West Coast Orchid Society

280 - Division: Foliage - Orchids grown for decorative foliage, in flower or not, species or hybrids

2800 - Jewel Orchids (Ludisia, etc.)

2801 - Cymbidium

2802 - Neofinetia

2803 - Other species or hybrids with ornamental foliage

Trophy Best of Classes 2800-2803, Ornamental Foliage

290 - Division: Miscellaneous

2900 - Bulbophyllum species

2901 - Bulbophyllum hybrids

2902 - Cirrhopetalum species

2903 - Cirrhopetalum hybrids

2904 - Bulbophyllum and Cirrhopetalum intergeneric hybrids

Trophy Best of Classes 2900-2904, Bulbophyllum

2905 - Other species not included anywhere above

2906 - Other hybrids not included anywhere above

Trophy Best of Classes 2905-2906, Miscellaneous Genera

Trophy Best in Show, Unusual Orchid (classes 2800-2906)

Sponsored by the Coalition for Orchid Species

19th World Orchid Conference
Judges Handbook

Special Trophies:

Trophy Best Cut Flower – All Flower Classes eligible
Sponsored by the South Florida Leadership Council

Best Miniature Orchid – All Plant Classes eligible
Mid-America Orchid Congress

Best Specimen Plant – All Plant Classes eligible
Sponsored by Bonnie & Will Riley

Grand Champion Display – Best of Classes 10-81
Reserve Champion Display – Second in Classes 10-81
Grand Champion Orchid – Best of Classes 100-2906
Reserve Champion Orchid – Second in Classes 100-2906
